IMPORTANT POLICIES TO UNDERSTAND

1. **FLEXIBILITY IN JOB ASSIGNMENTS:** Any job that is available to Junior Interns may also be filled by Senior Interns. But those jobs that specifically say that being a Senior Intern is a requirement can not be filled by a Junior Intern without special permission from that sport's commissioner.
2. **COMMISSIONER APPROVAL:** All assignments must be approved in advance by the commissioner of the particular sport.
3. **COMBINING PAID JOBS AND COMMUNITY SERVICE CREDIT:** If you want to get paid and apply some Community service credits to the same Job (and that is allowed by your school), check both boxes on the form. It is your responsibility to find out if your school allows that.
